

ABDELRAHMAN MOHAMED

FULL-STACK SOFTWARE DEVELOPER

Cairo, Egypt | +20 115 227 0980 | bodabanzen1818@gmail.com | [LinkedIn](#) | [GitHub](#) | [Portfolio](#)

PROFESSIONAL SUMMARY

Full-Stack Software Developer building web, mobile, and backend applications with React, Node.js, Flutter, Java, and SQL. Focused on creating clean, maintainable products that solve practical problems and provide a strong user experience.

TECHNICAL SKILLS

Languages: JavaScript, TypeScript, Java, Dart, Python, SQL, C#

Frontend & Mobile: React, Next.js, Vue, Flutter, HTML5, CSS3, Tailwind CSS

Backend & Data: Node.js, Express.js, Firebase, Redis, MySQL, SQLite

Tools: Git, GitHub, Docker, Linux

SELECTED PROJECTS

Restaurant Canteen App | *Flutter, Dart, Firebase*

- Built a mobile ordering application with authentication, cart management, location-aware checkout, order tracking, and separate customer and manager workflows.

Medical Records Access Platform | *Vue, Express.js, Redis, Docker*

- Developed a full-stack access-control platform with Redis-backed permission mapping, token-based login, role-specific panels, and secure medical-record authorization workflows.

Enterprise Payroll System | *Java, Swing, SQLite*

- Created a desktop payroll platform covering employee records, salary calculations, role-based access, deductions, payments, persistent storage, and PDF reporting.

PROFESSIONAL EXPERIENCE

Coding Tutor | iSchool - DEMI Physical Sessions

Jul 2026 - Present

- Teach Python fundamentals, problem-solving, and digital skills through practical, interactive activities for young learners.
- Support the Digital Egypt Marvels Initiative delivered with Egypt's Ministry of Communications and Information Technology.

Web Developer Intern | Morshedy Group

Sep 2023 - Dec 2023

- Developed and optimized web application features using C# and MySQL, improving backend efficiency and user experience.
- Refactored application and database logic to improve load time, maintainability, and debugging clarity.

System Administrator Intern | Orange Egypt

Aug 2023 - Sep 2023

- Supported VMware environments and Red Hat Linux servers through resource monitoring, troubleshooting, and technical support.

EDUCATION

B.Sc. (Hons) in Computer Science

Dec 2024

Asia Pacific University, Malaysia & De Montfort University, UK - Dual Degree Program

CERTIFICATIONS & ADDITIONAL EXPERIENCE

- Meta Front-End Developer Professional Certificate - Feb 2026
